Mannuel Thanks so much for everything - You are a great person + wonderful hotel owner. Your receptionist makes a GREAT cafe latte (:) and kept our room nice + comfortable. Your rooms were very comfortable, Naxos was beautiful + you went above and beyond the call of duty in being professional, kind + helpful. The next time we're in Naxos, we'll be HERE. (Thanks of the cigarette loans + if anyone happens to find the lost drivers license - too bizarre as we have not found it anywhere! - please send to Colorado.) Thank you again, good vacation, good island, + good friends!

Reluctantly moving on to Thira and then back to New Zealand. Could not have asked for a better base to explore Naxos from, we have been looked after, helped, guided and hosted superbly. We will be back, probably with a group of friends to experience this special place. Perfect weather, lovely food, tan but no sunburn, a beautiful room to watch the kite-boarders and sunset - could not have been better. Still welcome to stay with us in NZ!! to repay hospitality.
